

## **One and two liners**

### Holy Trinity Inside of You:

Are you feeling any better physically? Keep yourself interiorly united with the Three Persons of the Adorable Trinity, who abide within you! (Fr. Paul to Sr. St. Helen of the Cross, s.m., Panola, Ill., July 10, 1937)

### On Salvation and Eternity:

We have only a short time on earth even though we live to be as old as John D. Rockefeller, but beyond the grave is eternity and the most important thing is to save one's soul so that our future life shall be happy instead of unutterably wretched. (Fr. Paul to Cora Brook Apr. 4, 1933)

### Gratitude to Supporters in the Community:

It is those who have responded to the divine call and have associated themselves with me in community life, who have made the Society of the Atonement possible. Without them, I would have remained a solitary on the Mount of the Atonement. (Fr. Paul to C.M. Joiner, Dallas Tex., Feb. 13, 1935)
