

We are each called to our own unique mission to serve God, the Church and the world. But how do I know I am following God's plan for me? Through inspiring talks, prayer in our beautiful retreat setting, and rich discussion with other young adults, this retreat will give practical discernment tools for gaining clarity on God's purpose and plan for your life.

Participant Testimonies

"The retreat brought home that discernment is a process that never truly ends. God doesn't give you an instruction manual with step-by-step instructions on how to live life. Sometimes, God wants us to make decisions for ourselves and have us trust that His Spirit will guide us along the way."

Chris S.

"I was very impressed with the hospitality & feeling of acceptance from the moment I walked in the door." **Taylor M.**

"It was a refreshing retreat...I think I'll be back sometime." **Brenda M.**

"I learned a lot and grew a lot. It was good for me to take a step back from life and spend time in prayer and contemplation." **Michelle S.**

"I now know that it is really OK to search and even speak to God on a whole new level. I will also listen to God more because I now truly know that He will guide me down the right path." **Ronald E.**
