# 2018 RETREATS

## Graymoor SPIRITUAL LIFE Center

Dear Friends;

Here at the Graymoor Spiritual Life Center we want all of our guests to feel "at home" on the Holy Mountain. Through the coming year we will continue our wide range of retreat opportunities that will assist you in deepening your spiritual life. We also want you to know that the Center is more than a space for things spiritual, it is also a space for meetings, staff development as well as for rest and relaxation.

We have again committed ourselves to sharing in the Friars of the Atonement's desire to "do the extraordinary from the ordinary." During this year we seek even more to become a place of mercy and love where everyone can come to rest, relax and rejuvenate. As Pope Francis has said "A little bit of mercy makes the world less cold and more just."

I invite you to look over our many offerings and find a retreat or event that best meets your needs. Please consider sharing this information with others so that they too can experience the peace and serenity of the "Holy Mountain."
